TRAIN. ADAPT. COMPETE. GET SEEN.

DEVELOP IN SPAIN. BE SEEN OVER TIME.

Murcia Football Academy is a professional football academy in Spain for ambitious players who want to develop in a professional environment and gain real exposure to Spanish clubs.

In the mornings, players train with the academy under UEFA Pro licensed coaches. In the evenings, players train and compete with Spanish clubs.

Our long-term programs create daily football exposure and a real pathway into Spanish football.

MORNING ACADEMY. EVENING CLUB EXPOSURE.

Players train with Murcia Football Academy in the morning and in the evening train and compete with Spanish clubs. This dual pathway creates consistent exposure, match experience, and long-term development.

1

ACADEMY TRAINING

Professional morning training sessions.

2

CLUB EXPOSURE

Evening club training and games.

3

LONG-TERM DEVELOPMENT

Players are observed over time, not just one day.

4

SIGNING OPPORTUNITIES

Strong performances can lead to club opportunities.

TRAIN WITH PROFESSIONAL UEFA PRO LICENSED COACHES.

Training sessions focus on developing the complete player through daily work, technical detail, tactical understanding and football intensity.

TECHNICAL DEVELOPMENT

Ball mastery and football detail.

TACTICAL AWARENESS

Reading the game and decision-making.

PHYSICAL PREPARATION

Conditioning, movement and readiness.

POSITION SPECIFIC WORK

Details linked to each role.

MATCH INTENSITY

Sessions built with game speed and purpose.

DECISION MAKING

Developing composure and choices under pressure.

NOT A SHORT TRIAL. A LONGER EVALUATION.

We believe potential is proven over time, not in a single day. That is why our program gives players consistent football exposure and a real pathway into Spanish football through months of daily life, training and competition.

THE BENEFITS

-  More than a one-day trial
-  Real exposure over time
-  Tools and support in a real football routine
-  Better conditions for progression and opportunity
